### View of the Beach

This most popular ocean resort of the South is situated on the Atlantic Ocean six miles south of Cape Henry, the entrance to Chesapeake Bay and is best reached by the streamlined rail busses of the Norfolk Southern Railroad—see schedule page 3.

From early spring until late fall surf bathing is popular with young and old. Horse back riding through the picturesque State Park at Cape Henry can be enjoyed the entire year. Golf is an all year sport and the tennis courts are busy most of the year.

Just a few miles along the shore at Lynnhaven Inlet is the favorite fishing ground of the angler for both fresh water and deep sea species. Guides, supplied with boats, tackle, etc. are available and their names can be obtained by addressing Norfolk Southern Railroad, Room 211 Terminal Station, Norfolk, Va. A list of hotels, cottages or apartments will be furnished upon request.

## THE CAVALIER

**Tidewater Virginia's Community-Built and Owned Resort Hotel, is distinctive and unusual in its surroundings and appointments.**

This magnificent fire-proof structure affords every convenience and comfort; glassed-in indoor salt water plunge, open summer porches, glassed-in winter sun porches, roof gardens, tea rooms, grill, dining rooms; rooms provided with running ice water, private tub and shower baths, hot and cold fresh water and salt water spray.

Guests have privileges of Princess Anne Golf Course and Cavalier Golf Course. Norfolk Southern trains arrive at and depart from Cavalier Station, at entrance to Hotel Grounds, with Pullman service between Norfolk, Va., and New York via Richmond and Washington, (see page 3). Through baggage service arranged.

## NORFOLK SOUTHERN RAILROAD

PINEHURST, N. C.

Carolina Hotel,

Situated in the eastern section of North Carolina on the Norfolk Southern Railroad, a mere twelve hours train ride from Washington, D. C., is a winter resort with a mild out door climate from October to May.

Located 650 feet above sea level, in the Sand Belt famous for its dry, bracing air and fragrant long leaf pines, the invigorating air and warm sunshine are unforgettable. The snow harassed dweller from the north comes to a climate perfect for out door sports but of a tempered mildness which makes a return to severe weather safe.

The out door sports—Golfing—Tennis—Riding—Archery—Trap Shooting Polo—are daily pastimes as the sandy soil dries quickly after showers—a snow storm is a rare occurrence. In the generally accepted sense Pinehurst is not a health resort but a place of rest for jaded nerves and for out door recreation.

For illustrated booklets and other information regarding Pinehurst address Pinehurst Inc., Pinehurst, N. C.
